Staying Focused on Fundamentals amidst Uncertainty

- **Stable funding base**
  - Increased customer deposits proportion of funding mix
  - All regional subsidiaries are fully self funded in local currencies
  - Reduced interbank funding and diversified funding base with debt instruments

- **Building customer franchise**
  - Increased customer loans proportion of asset mix
  - Key Asian markets now account for c.95% of total loans
  - Increased government securities; Downsized investment securities and interbank proportion
Record Core Earnings

- Record core earnings underpinned by:
  - Strong regional contribution in loans and profitability
  - Higher net interest income, although recent trend impacted by slowing loans growth and margins compression
  - Continued strength in fee income, a record quarter
  - Disciplined cost management; Remain committed to long-term capability building
  - Stable asset quality, with no signs of systemic weaknesses
  - Declared interim dividend of 20 cents
Regionalisation on track

- Growth in regional operating profit, loans and deposits outpaced that of Singapore’s

- Integrated regional platform for:
  - Improved productivity
  - Enhanced risk management
  - Seamless customer experience

- Progressing well on various initiatives; On-track for end-2013 completion of core banking refresh
Continued Growth in Regional Corporate Banking

- Focus on risk adjusted returns and overall profitability
- Growth in non-interest income (non-NII) has outpaced loans growth
- Continue to build capabilities in transaction banking, treasury and investment banking
- On track to achieve overseas wholesale profit contribution target by 2015
Our Transaction Banking Value Proposition

- Offer end-to-end solutions ranging from cash, trade and supply chain financing across our network

- Good growth in trade loans, deposits and revenue, led by the region

- Cash and trade equally important. Gathering of sticky deposits consistent with liability management initiatives

- Continue investment to support customers as they regionalise
Capturing Rising Asian Consumer Affluence

- Steady inflows in AUM and customers

- Since FY 2010 to date,
  - Grew AUM from $48bn to $59bn
  - Expanded customer base from 100,000 to 142,000
  - Increased regional wealth management footprint from 29 to 49

- On track to achieve wealth management growth targets by 2015
