

The following disclosure is based on the prescribed template as set out in MAS Notice 637 Table 11D-1. This disclosure shall be updated on a quarterly basis, or whenever there is an issuance, redemption, conversion/write-down, or other material change in the nature of an existing capital instrument, and to be read in conjunction with the notes at www.uobgroup.com/investor/stock/preference_shares_and_notes.html. The dollar value listed in row 8 represents the eligible amount of the capital instruments recognised as regulatory capital, after taking into account the phasing-out impact of 10% per annum (effective from 1 January 2013) during the transitional arrangement period.
