WHO WE ARE

United Overseas Bank Limited (UOB) is a leading bank in Asia with a global network of more than 500 branches and offices in 19 countries and territories in Asia Pacific, Europe and North America.

In Asia, we operate through our head office in Singapore and banking subsidiaries in China, Indonesia, Malaysia, Thailand and Vietnam, as well as branches and offices across the region.

UOB provides a wide range of financial services globally through our three core business segments – Group Retail, Group Wholesale Banking and Global Markets. Our offering includes personal financial services, private banking, business banking, commercial and corporate banking, transaction banking, investment banking, corporate finance, capital market activities, treasury services, brokerage and clearing services. Through our subsidiaries, we also provide asset management, venture capital management and insurance services.

BUSINESS STRATEGY

Guided by our values, we help our customers grow their wealth, manage their businesses and seize opportunities across the region and through economic cycles. Deep relationships and the progress of the economies and communities in which we operate are important to us. We are committed to achieving long-term and stable growth that creates sustainable value for our stakeholders and across our franchise. Our Strategic Priorities include:

- Fulfilling consumers' financial needs with the right solutions in the manner they prefer, by helping our customers safeguard their assets and achieve sustainable yield; ensuring our customers benefit from financial solutions designed to suit their lifestyles, life stages and aspirations; enabling our customers to grow and to preserve their wealth for the next generation; and ensuring our products and services are fair, accessible and inclusive.
- Facilitating business growth in the region by providing greater connectivity and specialisation in key sectors, by leveraging our strong regional franchise, deep local knowledge and industry expertise to help our clients seize intra-regional business and investment opportunities; building an ecosystem of partners to support businesses through market cycles and growth stages; providing holistic and integrated solutions to our clients through enhanced products, channels and industry specialisation; and partnering financial institutions as they grow in Asia.
- Caring for the growth of our colleagues.
- Enhancing our digital capabilities and technology systems to make banking simpler, smarter, and safer.
- Ensuring prudent management of capital, credit and risk.
