

United Overseas Bank Limited (UOB) is a leading bank in Asia with a global network of more than 500 branches and offices in 19 countries and territories in Asia Pacific, Europe and North America. In Asia, we operate through our head office in Singapore and banking subsidiaries in China, Indonesia, Malaysia, Thailand and Vietnam, as well as branches and offices across the region.

UOB provides a wide range of financial services globally through our three core business segments – Group Retail, Group Wholesale Banking and Global Markets. Our offering includes personal financial services, private banking, business banking, commercial and corporate banking, transaction banking, investment banking, corporate finance, capital market activities, treasury services, brokerage and clearing services. Through our subsidiaries, we also provide asset management, venture capital management and insurance services.

BUSINESS STRATEGY

Guided by our values, we help our customers grow their wealth, manage their businesses and seize opportunities across the region and through economic cycles. Deep relationships and the progress of the economies and communities in which we operate are important to us. We are committed to achieving long-term and stable growth that creates sustainable value for our stakeholders and across our franchise. Our Strategic Priorities include:

- Fulfilling consumers' financial goals with the right solutions in their preferred manner, by designing and offering fair, inclusive and accessible financial solutions relevant to our customers' life stages, lifestyles and aspirations; safeguarding our customers' assets and helping them preserve and grow their wealth for future generations; enhancing our customers' omni-channel experience based on our understanding of their preferences and behaviours; and forging ecosystem partnerships to create products, services and solutions that augment customer journeys.
- Facilitating businesses' growth through cross-border connectivity and specialised sector expertise, by leveraging our extensive regional franchise, in-depth local knowledge and strong sector expertise to help our clients seize business and investment opportunities across borders; providing our clients with holistic, integrated and distinctive solutions through a diversified range of products and channels; enhancing our ecosystem of partners to support our clients as they grow and expand through all market cycles; and partnering financial institutions as they grow in Asia.
- Caring for our colleagues' professional and personal growth.
- Deepening our technological capabilities to make banking simpler, smarter and safer.
- Maintaining proactive management of capital, credit and risk.
