### Net profit after tax<sup>1</sup>

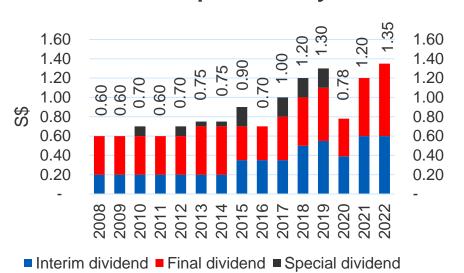

<sup>1.</sup> Excluding one-off expenses

### **Dividends in line with higher earnings**

### Net dividend per ordinary share

- Dividend per share (DPS) has increased significantly over the years
- Shareholders can expect higher DPS as earnings improve
- Comfortable with paying out ~50% of core profits as dividends given that capital position and earnings are expected to stay resilient

FY20 dividends were in line with Monetary Authority of Singapore's call for banks to cap dividends at 60% of 2019 dividends.

Note: The Scrip Dividend Scheme was applied to all the dividends for the financial years ended 2020

The Scheme provides shareholders with the option to receive Shares in lieu of the cash amount of any dividend declared on their holding of Shares.
